2/6/10

THIS IS A "MUSIC VIDEO" FOR THE COUGAETTES-- A FRENETIC, MTV-STYLE VIDEO OF THEIR "CAR DANCE"...A ROUTINE PERFORMED TO THE SOUND OF CAR CRASHES, HONKS, ETC.

I have the coach's phone number, and will contact her with a producer. FYI, the girls told me not to mention the words "music video" to the coach because she is very conservative, and athletics-focused. Instead, the best way to pitch this is as publicity, as filmmaking practice, and as academic/athletic.

THE VIDEO CAN BE FILMED IN A SINGLE LOCATION, OR IN A VARIETY:

INT. PARKING GARAGE - NIGHT

The Cougarettes dance in the dark, fluorescent garage among exotic cars.

EXT. PARKING LOT - NIGHT

Wet down. Chain-link fences. The Cougarettes dance among exotic cars, with Star Trek-style flares from the headlights.

EXT. FREEWAY - SUNSET

The dance is performed in the middle of the northbound lanes, with cars speeding dangerously close to the girls.

EXT. CORPORATE ROOFTOP - NIGHT

Welp, dancing on the rooftop. Helicopter spotlights?
