EXT. APARTMENT PARKING LOT - DAY

*NOTE: The camera never cuts.

Wet snow cascades down onto the white landscape, covering cars and rooftops. LUKE (24) parks his scooter and hurries over to apartment two, wearing a scarf, beanie and ski coat.

He pulls out his keys and steps into

and freezes in place when he sees NICOLE (23) on the edge of the couch. She's surrounded with suitcases, and she stands, smiling through her tears.

LUKE

Nicole.

NICOLE

Hi.

Luke is stuck in place. It hurts to share a room with her.

NICOLE (CONT'D)

You were right. I'm back. I'm sorry. I'm staying.

Luke takes this in for moment. A smile fills his face.

LUKE

Hi.

He steps forward and kisses her like it's been a while.

LUKE (CONT'D)

Wanna walk around for a while?

NICOLE

Yeah.

They step out to

where the summer sun is warming the trees. Luke and Nicole shed their coats and walk down the street, hand in hand.
